Introduction

These release notes accompany Mocha Shape converter for AE CC version **6.0.0**.

New Features Guide

This is an update to assist with applying the Mocha AE CC Plugin 6.0.0 effect.

Fixed Issues

There are no specific fixed issues for this release of the shape converter.

Known Issues

Issue:	MO-7257 Cannot paste mocha mask to AE for a layer if its In point isn't equal to the project In point
Platform:	All Platforms
Bug Description:	A layer that has a different in point to the project in point will not export mocha masks correctly.
Workaround:	Set layers to be the same in/out as the project

Hardware Requirements

A Windows or Mac system that meets the After Effects CC 2019+ requirements.

Software Requirements

A Windows or OS X operating system version that meets the After Effects CC 2019+ requirements.

Boris FX and Imagineer Systems are not responsible for any operating system upgrades or modifications, third party applications or hardware changes that reduce or disable mocha shape converter functionality.
